

## How to Use EventsXD

*EventsXD is available for Android and iOS and it is free to download from the Google Play Store and from iTunes.* 

1. Once you locate the EventsXD app, click on the **cloud to download** if you're an iOS user or on the **Install button** if you're an Android user.

2. One downloaded, open the EventsXD app. You will be prompted to create a login using your email address and a unique password of your choosing.

3. Once you sign up, click the **Login button**.

It will take you to your homepage. The homepage displays any **saved upcoming events**. It is blank because as a new user, you have none yet.

4. Click on the **magnifying glass** on the **top right** to search for events.

5. It will bring you to the below **search screen** and enter **Ecolane**.

6. The Ecolane PA Partner Conference will populate. Click on that conference.

7. You will be inside the conference portal where you can view the overview, see scheduled speakers, follow a track, see the schedule and time slots for sessions, get information about event, and much more.
