INSPECT

by Ecolane

THE PRODUCT

INSPECT by Ecolane is the modern, easy-to-use alternative to spreadsheets that empowers your team to manage vehicles from anywhere. Gain full visibility into your operation, keep your team accountable and make decisions based on data you can trust.

Easy for drivers to use.

Customizable inspection lists per agency and regulatory requirements.

Eliminates manual processing of paper-based inspection forms.

Improves safety by providing immediate reporting of vehicle issues.

Flexible reporting and analytics on inspection data.

Price is only \$15 per vehicle per month.
