

Morris Area Paratransit System (MAPS)

Ecolane 

Morris County, NJ

www.hs.morriscountynj.gov/adv/maps

The Challenge

- Still using paper manifests
- Wanted to operate more efficiently and streamline operations internally
- Map out different areas because Morris County is unique with both Urban and Rural areas
- Needed different funding sources broken out
- Easy to use software
- Needed tablets in vehicles

The Solution

- Ecolane Reporting System along with ADHOC reporting tool
- Ecolane DRT completely automated scheduling and dispatching software
- Ecolane Touch Screen MDT software with turn-by turn navigation running on Android tablets
- Doing more miles and reporting rural miles more accurately

“The team at Ecolane wanted to make us happy, rather than fit us into their system, they made their system work for us”

Christine Hellyer
Division Director

Additional Features & Highlights

The Results

Increased RPH
from 1.5 to
2.29 RPH

250
Trips Per Day
(pre-COVID-19)

Averaging
5,000
Trips Per Month

"The run utilization has been great, being able to tell a customer I don't have this time available, but I have this time, it gives them options"

Christine Hellyer
Division Director

"I really feel Ecolane cares and has shown equal partnership. And because of that we work well together."

-Christine Hellyer
